

Australian Pituitary Foundation

BRISBANE WEBINAR

We are pleased to present a free online video seminar aimed at giving pituitary patients and families a greater understanding of pituitary conditions. Presentations by specialists from The Mater and Princess Alexandra Hospitals in Brisbane looking at neurosurgical, endocrinological and psychological care will be covered, along with awareness of new and emerging treatments.

There will be opportunities for your questions to be answered by the presenters. Q&A segment will be incorporated in the talks. You can email to us your questions prior to the day or during the session via the chat function.

When: Saturday, 17th October 2020 commencing 08:55am AEST*
